## FOR DOCTORS ONLY

A two-part lip treatment system for plumper, more youthful lips.

TNS LipPlump System is a dual-action plumping treatment that visibly restores volume to lips within minutes of application. The TNS system's age-defying formula is powered by NouriCel-MD, a tissue repair stimulator, in addition to collagen-filling properties that increase micro-circulation. Healing ingredients strengthen skin and smooth creases and imperfections for incredibly soft, supple looking lips.

The system is comprised of:

The Lip Plumper (0.06 oz.) - Designed to stimulate circulation, enhancing fullness and color

Treats: Chapped Lips

## Directions

Lip Plumper: Twist the bottom until you hear two to three clicks. The product should then come out of the tip. Following application of Lip Renewal (Step 1), apply Lip Plumper (Step 2) to the lip area only, staying within your natural lip line. Mild tingling may occur within minutes and will subside. Can also be applied under of over lip color.

## Ingredients

Lip Plumper: Hydrogenated Polyisobutene, Ethylene/Propylene/Styrene Copolymer, Butylene/Ethylene/Styrene Copolymer, Glycine Soja (Soybean) Oil, Benzyl Nicotinate, Flavor, Phenoxyethanol.
